Summary

As a high school student, Ryuunosuke's daily life is hectic. However, he's actually a 'wizard' who protects the world from extraordinary crises. This causes him trouble and seems to attract all kinds of danger, such as his unique constitution causing him to transform into a girl whenever he chest throbs. Ryuunosuke, the magician Mayuri Vanstein and the cat-person Agena form a party to search Kime Academy together. Their goal is the 'Jewel of Wisdom' hidden within the school. It seems the gem has the ability to answer any question when used. In the middle of their search, Ryuunosuke finds himself unexpectedly trapped as a girl, unable to turn back into a guy.

Fujiwara Ryuunosuke

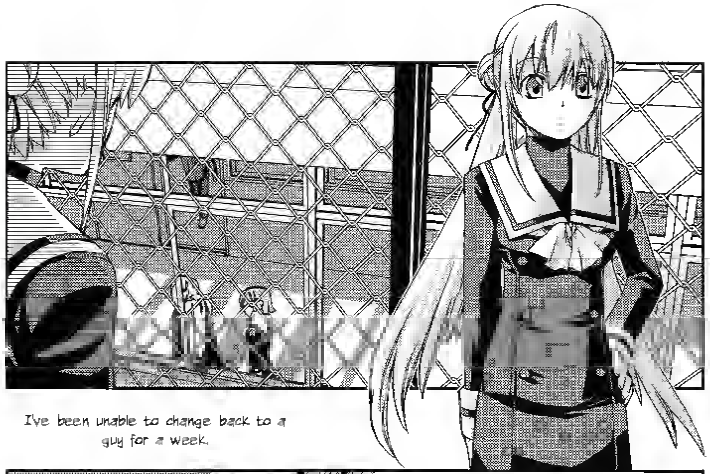
A wizard attending high school at Kimei Academy. His class is dragon user. Due to his constitution, he changes into a girl when his heart throbs.

Mayuri Vanstain

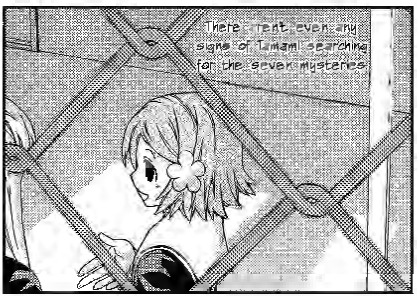
A wizard attending Kmei Academy as an exchange student. Her class is mage. She is searching for the seven jewels per a certain woman's orders.

Ageha

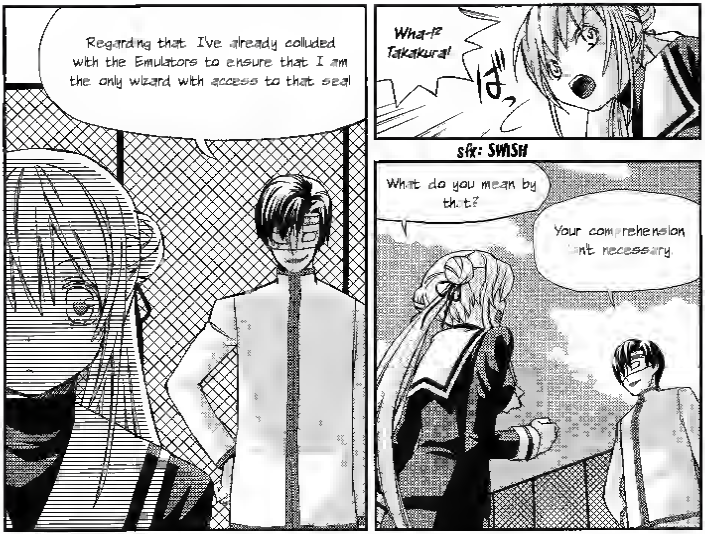
Another wizard who came to Kmei Academy in search of the jewel. Her class is cat-person (werewolf). She's the 'cool, misery' type.



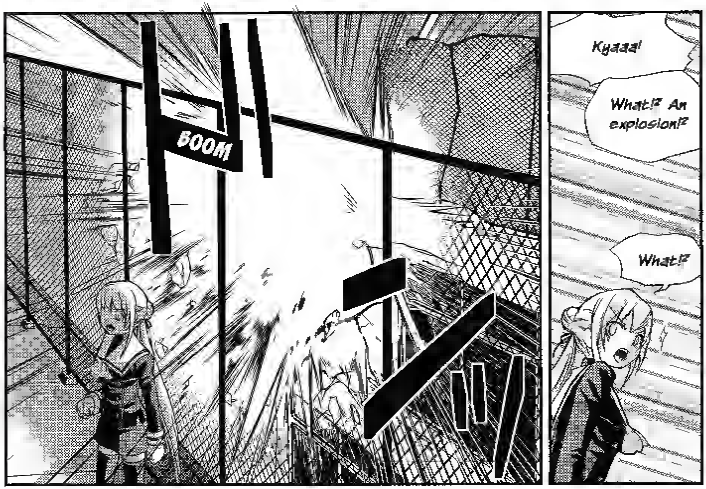
Ageha and Mayuri also haven't come back.
There's nothing I can do. The student council president hasn't made a pass at the school or Tamam either.



Still, why are the seven mysteries some sort of seal for the Jewel of Wisdom...
I've been through a lot of trouble thanks to them.



Regarding that I've already colluded with the Emulators to ensure that I am the only wizard with access to that seal
What-!? Takakura!
sfx: SWISH
What do you mean by that!?
Your comprehension isn't necessary



Kashi Tamami:

Ryunosuke's childhood friend and classmate. She's a member of the newspaper club who's brimming with curiosity. The school's seven mysteries have caught her attention.

Takakura Misaya

Kime Academy's student council president. He is a mysterious schoolboy who's always concealed by his mask. He commands powerful magic.

Kurosawa Ouka

A ghost who's settled down at Kimei Academy. She's one of the school's seven mysteries but she's also a hero who protects the students.

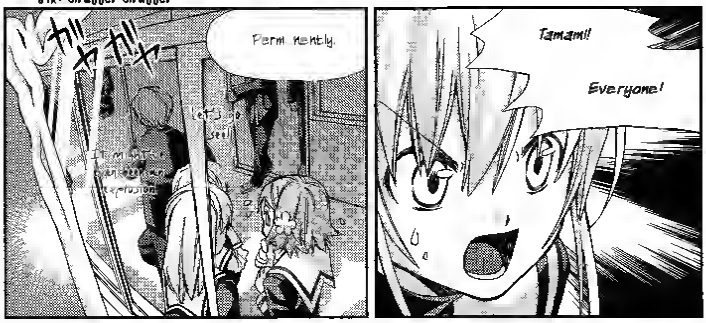
It can also be used to confine anything it reflects.



sfx: chatter chatter
Permanently.
Tamami!
Everyone!

Ah, ah! You better not make any careless moves!
If this mirror is destroyed, your pals inside will be destroyed too.

Just as I deduced you're unable to interfere aren't you?
Now then, defeat Kurosawa Ouka!
Per my deduction, the 7th seal will appear after you do that
That deduction is flawed~ Takakura-kun

So those two have already been defeated You live up to your reputation. You're just as strong as I deduced you'd be
Even so stop lying My deductions are perfect
That wasn't a lie〜 Even if you defeat me the 7th seal won't appear〜

Besides, you're unable to solve the mystery and undo the seal~
There's no mystery I can't solve!
I'll unravel your lies and expose the truth for sure.
Even now, you're still saying that you'll remove the seal~
However ~ even if you say that, you'll never be able to solve it~
The Jewel of Wisdom will always remain sealed in the academy. Those are the rules~
Screw around all you want! I'll still take the 7th seal!
Take care of this for me, defeat Ouka.
Erk.
sfx: SWISH

The answer to that question acts as the key to the 7th seal~
Wha-?
The 7th seal! Why is she suddenly saying that now?
It's already been said hasn't it? The 7th mystery is the seal a wise man couldn't answer~
That's just a bluff! There's no mystery I can't solve! I won't be deceived by your lies!
I've been fulfilling the role of the 6th seal~
After that

It's up to you～
Hurry up, Fujiwara!
